**The Palestine-Israel Conflict: A Basic Introduction** Gregory Harms, Todd M. Ferry

The Palestine-Israel conflict is the most notorious and ingrained conflict of the twentieth, and now twenty-first, century. Yet the way it is reported in the media is often confusing, leading many to assume the hostilities stretch back to an ancient period. *The Palestine-Israel Conflict* is the first book to provide a clear, accessible, and annotated introduction that covers the full history of the region, from Biblical times until today. Perfect for the general reader, as well as students, it offers a comprehensive yet lucid rendering of the conflict, setting it in its proper historical context. Harms and Ferry show how today's violence is very much a product of recent history, with its roots in the twentieth century. This balanced account is now fully up to date, including the ongoing situation in Gaza, making it a valuable resource for anyone who wants a clear guide to the conflict between Israel and the Palestinian territories, and its place in the history of Middle Eastern affairs.
