The Pharaoh's Fund: A Financial Thriller (The Coastal Trilogy) (Volume 1) Zoe Van Schyndel

The Pharaoh's Fund, a fast paced financial thriller set in Boston and Las Vegas, is the first volume in a trilogy. This is the story of Amelia Adams, an impulsive and agile financial expert, whose fledgling business takes on a client who may have just killed her husband. When Steve Suller, a prominent investment executive of The Pharaoh's Fund, is found dead on the North Shore of Boston his widow, Nora Suller, is the most likely suspect. No one doubts the police have their murderer, especially when an exotic fish poison is linked to the businessman's demise, and his wife is a chef. The fact that Nora stands to receive a multi million-dollar life insurance policy provides additional evidence that the police have their killer. Nora hires Amelia Adams, to value her husband's partnership interest in a hedge fund run by Burnham Fields. Adams must use her investment smarts and black belt in karate to sort out the financial details of the dead man's estate. Not all is as it first appears and the money trail leads Adams on a journey of murder, betrayal, and financial hijinks.
