For her art, Poppy seeks out and re-creates acts of submission and domination. Each sculpture she creates is taken from life—a life of a total sensual freedom where she meets a strange cast of extreme lovers. From strangers in restaurants to tattoo artists, from a baroness to a uniformed society of fetishists, Poppy experiences obedience and a taste of power. The result is her submission gallery. Where Poppy's quest for inspiration will finally lead—and to whom—remains a mystery. But behind the scenes of her journey and the art it produces, the world's most bizarre collector waits to seize the greatest artifact of all—the artist herself.
