Inscribed in Latin, The Prophecy has resided in the hands of a single family for generations, revealing secrets about the world that is to come, and guiding them to wealth and power...

It begins when a Celtic noble betrays his people at the behest of his mother's belief in The Prophecy and sides with the conquering Roman legions. For the next 400 years, Britannia thrives-as does the family that contributed to Rome's reign over the island with the construction of Emperor Hadrian's Wall and the protection of Emperor Constantine from a *coup d'Žtat*.
