**Girl Least Likely to Marry (The Wedding Season Book 2)** Amy Andrews

Talk nerdy to me

Samuel Tucker is absolutely the last person scientist Cassie Barclay would ever date. Yes, he's gorgeous, but he's also far too cocky for his own good and thinks that Pi is a tasty afternoon treat. So when he asks her to dance at her friend Reese's non-wedding she's wondering why on earth she says yes!

Tuck is used to people assuming he's all brawn and no brain, and amuses himself by winding Cassie up. But when he finally takes her to bed, suddenly it's Tuck who can show Cassie a thing or two! Can he convince her that love and sex have nothing to do with logic and everything to do with chemistry?
