I'm OK, You're a Pain In the Ass... a love story J. Michael Chamberlain

Wildly entertaining essays laced with wicked concepts, cheap shots and a few bright ideas. An absolute feast of funny words without once mentioning vampires or zombies. The perfect blend of madcap rants and true life experiences, guaranteed to put a never-ending smile on your face. Actually, a never-ending smile might be cause for alarm. In fact, if your smile lasts longer than four hours, you should visit a doctor as soon as possible. Just the same, this extraordinary slice of life is riotously funny and viciously insightful. This book is almost too good to read, but I suggest reading it anyway. I also suggest telling forty or fifty of your closest friends to read this tome; people need to laugh.
