Spiritual Warrior: A 20 Year Old's Guide to Human Evolution Ryan Amann

Spiritual Warrior was written in the midst of a physical and spiritual awakening. Ryan Amann went through a serious and life-changing few months and emerged virtually unscathed. His knowledge of all things spiritual and of the evolution of mankind is based not only on his experiences, but also on his prior knowledge and on the research he has done. It will allow you to: Learn about various beliefs and ideas related to the evolution of the human race Begin to hypothesize about the direction we are headed in as a society Understand how to best be actively engaged in life and live life in a fully aware and rewarding way Though Spiritual Warrior is Ryan's first book, it contains the precision of one that has written for years, and it is a page turner. His first book offers an exciting glimpse into the future of the human psyche and human evolution. It also offers insight into how we will specifically be growing and the types of things we will learn as we evolve into a more aware and conscious species. This book is a must read for those interested in the spiritual evolution of our race, but can also be enjoyable to read for people of all races, genders, and ages.
