The ABCs of the UCC: Article 9: Secured Transactions Russell A. Hakes

This book is a wonderful introduction to the law governing security interests in personal property, which is based on Article 9 of the UCC. This book explains the terminology, structure, and methodology of security interests governed by Article 9 in a readable, concise, and yet thorough manner. Practitioners can use the book to become rapidly conversant with the scope, concepts, and structure of Article 9 and how security interests are created, priority is established and remedies are pursued upon default. Students can gain an overview of security interests and can revisit each chapter as they study its principles in greater depth.
