*“His intent was that now, through the church, the manifold wisdom of God should be made known...”*  
Ephesians 3:10

Churches have been uniquely called to impact our society for good.

In this book, Dr. Tony Evans moves beyond looking at the *why* of the racial divide and proposes a solution for bringing about racial unity in our country and restoration to our communities. Unveiling a proven local model for the church, he shows how when believers come together with a common goal and purpose, our communities and ultimately our nation can be transformed.
