Accidental Leigh (Literal Leigh Romance Diaries) (Volume 1) Melanie James

How does a girl become a witch? By accident, of course! Leigh Epstein is a grief stricken and lonely elementary school teacher that is devastated by the brutal and unexpected death of her true love at the hands of a careless writer. She overcomes her grief by taking matters in her own hands and takes up a little romance writing to resurrect her vampire-werewolf book-boyfriend. Leigh gets more than she bargained for when she discovers that every steamy erotic scene she creates is magically re-enacted by her family, friends and coworkers. In her hilarious first diary, Leigh unwittingly sets her parents up for a weekend dinner party that they will never forget. She has two weeks to find out what her new found magic is capable of. Can she prevent a wild erotic encounter that could devastate her sweet parent's marriage? What and who else will get caught up in her magic spells?
