Dead Man's Grip (Detective Superintendent Roy Grace) Peter James

Carly Chase is still traumatized ten days after being in a fatal traffic accident that kills a teenage American student from Brighton University. Then she receives news that turns her entire world into a living nightmare. The drivers of the other two vehicles involved have been found tortured and murdered. Now Detective Superintendent Roy Grace of the Sussex Police Force issues a stark and urgent warning to Carly: She could be next.

The student had deadly connections. Connections that stretch across the Atlantic to America and an organized crime group. Someone has sworn revenge and won't rest until the final person involved in that fateful accident is dead. The police advise Carly her only option is to go into hiding and change her identity. The terrified woman disagrees. She knows these people have ways of hunting you down anywhere. If the police are unable to stop them, she has to find a way to do it herself. But already the killer is one step ahead of her, watching, waiting, and ready.

Peter James' *Dead Man's Grip* is a chilling psychological thriller.
