Clive S. Lewis

La abolicion del hombre / The Abolition of Man (Libros De Bolsillo / Pocket Books) (Spanish Edition)

Clive S. Lewis

Los humanos al no considerar los instintos como parte de la razón, y al no dar importancia a las emociones y al espíritu, se saltan una parte fundamental para evitar esa abolición. Dentro del contexto de los instintos el autor se contradice un poco, ya que da importancia a la razón, pero no considera los valores dentro de lo instintivo. Si precisamente lo que busca es una doctrina de valor objetivo, basada en la razón y considera los instintos parte de ella, debemos preguntarnos si estos instintos se pueden considerar valores.
