Rediscovering Fuller: Essays on Implicit Law and Institutional Design

Rediscovering Fuller: Essays on Implicit Law and Institutional Design

Lon Fuller, one of the great American jurists of this century, is often remembered only for his stand on the morality of law in the Fuller-Hart debate. *Rediscovering Fuller* considers the full range of Fuller's writings, from his early engagement with legal fictions and his critique of legal positivism to his later work on implicit law and the art of institutional design. Contributors from the fields of both civil law and common law argue that Fuller's insights are highly relevant to contemporary concerns. The book contains essays by K. Winston, D. Dyzenhaus, P. Cliteur, F. Schauer ("Beyond the Fuller-Hart Debate"), P. Westerman, W. van der Burg, D. Luban ("Morality of Law"), G. Postema, P. Teachout ("Implicit Law"), R. Macdonald, W. Witteveen, J. Allison, M. Hertogh, K. Soltan ("The Art of Institutional Design"), J. Allan, F. Mootz, J. Vining ("Law's Dialogue"), and a preface by Ph. Selznick.

"At some point in the future, when we become more open to the moral relevance of social inquiry, more empirical in our study of philosophical issues, more capable of uniting moral and social theory, Lon Fuller's work will stand as a landmark. This volume will help show the way." —Ph. Selznick
