The Red Garden

Alice Hoffman

The Red Garden Alice Hoffman

The Red Garden introduces us to the luminous and haunting world of Blackwell, Massachusetts, capturing the unexpected turns in its history and in our own lives.

In exquisite prose, Hoffman offers a transforming glimpse of small-town America, presenting us with some three hundred years of passion, dark secrets, loyalty, and redemption in a web of tales where characters' lives are intertwined by fate and by their own actions.

From the town's founder, a brave young woman from England who has no fear of blizzards or bears, to the young man who runs away to New York City with only his dog for company, the characters in *The Red Garden* are extraordinary and vivid: a young wounded Civil War soldier who is saved by a passionate neighbor, a woman who meets a fiercely human historical character, a poet who falls in love with a blind man, a mysterious traveler who comes to town in the year when summer never arrives.

At the center of everyone's life is a mysterious garden where only red plants can grow, and where the truth can be found by those who dare to look.

Beautifully crafted, shimmering with magic, *The Red Garden* is as unforgettable as it is moving.

From reader reviews:

Kimberly Thibault:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading practice give you lot of advantages. The benefits you got of course the knowledge your information inside the book that improve your knowledge and information. The details you get based on what kind of guide you read, if you want get more knowledge just go with schooling books but if you want sense happy read one together with theme for entertaining like comic or novel. Often the The Red Garden is kind of book which is giving the reader capricious experience.

Calvin Baker:

In this particular era which is the greater individual or who has ability in doing something more are more treasured than other. Do you want to become one among it? It is just simple method to have that. What you are related is just spending your time little but quite enough to have a look at some books. Among the books in the top list in your reading list is definitely The Red Garden. This book which can be qualified as The Hungry Slopes can get you closer in turning out to be precious person. By looking upwards and review this reserve you can get many advantages.

Michael Canton:

Do you like reading a reserve? Confuse to looking for your selected book? Or your book had been rare? Why so many problem for the book? But almost any people feel that they enjoy for reading. Some people likes reading through, not only science book but also novel and The Red Garden or perhaps others sources were given understanding for you. After you know how the truly great a book, you feel want to read more and more. Science e-book was created for teacher as well as students especially. Those textbooks are helping them to add their knowledge. In other case, beside science e-book, any other book likes The Red Garden to make your spare time far more colorful. Many types of book like this one.

Leah Humphries:

What is your hobby? Have you heard in which question when you got students? We believe that that query was given by teacher to their students. Many kinds of hobby, Everyone has different hobby. Therefore you know that little person such as reading or as reading become their hobby. You need to understand that reading is very important in addition to book as to be the issue. Book is important thing to include you knowledge, except your own teacher or lecturer. You will find good news or update about something by book. A substantial number of sorts of books that can you choose to adopt be your object. One of them is niagra The Red Garden.
